Attention: Mr. L. O. Van Ryan

Gentlemen:

As requested in your letter of November 12, 1982, permission is granted to produce your Gavilan Well No. 1-A, Section 26, Township 25 North, Range 2 West, Rio Arriba County, at capacity each month until you have produced your monthly allowable.

It is my understanding that this request is necessary because the well produces excessive amounts of paraffin and lower production rates cause plugging of tubing and flow lines.

Yours very truly,

JOE D. RAMEY  
Director

JDR/fd
