Dear Luanne:

In response to your memorandum of March 6, 1985, I have enclosed the original Deviation Report with notary stamp affixed. I was aware that your office was the one which was supposed to receive the report; however, I had planned to send it with the C-104 for the well. We do not have a gas contract for that well at this time and I will wait for that to be finalized before sending the C-104.

Also so that you will be aware, this well is still being operated by E. Alex Phillips. We are awaiting the return of some Designation of Operator forms in order to submit them to the Bureau of Land Management. Until that time the Bureau of Land Management will not allow us to change from E. Alex Phillips to Mesa Grande Resources, Inc.

If you require further information, please advise. Thank you for your assistance with this matter.

Sincerely,

  
Gregory R. Phillips
