Changes: Well Name, Field & Pool
(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)
Correction

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) *

In response to the recent extension of the West Lindrith Gallup-Dakota to the SE $\frac{1}{4}$ of Sec. 33, T25N, R5W, we desire to change the number of our proposed well Jicarilla L # 5E to the Jicarilla L # 8.

Please note that the recent sundry dated 11-18-85 changing the Field & Pool designation for the Jicarilla L # 5E APD from the West Lindrith Gallup-Dakota to Basin Dakota-Otero Gallup should have been a change from West Lindrith Gallup-Dakota to the West Lindrith Gallup-Dakota Extension.

I hereby certify that the foregoing is true and correct
