Dear Sir:

In accordance with Rule 504, of New Mexico Oil Conservation Commission Rules and Regulations dated October 1, 1957, Pan American respectfully requests permission to produce approximately 200 barrels of crude oil from E. H. Heggie Well No. 1, Bisti Lower Gallup Field formation, during testing operations, due to lack of storage facilities. We are attaching sufficient copies of this letter for your distribution to Pan American Petroleum Corporation and McWood Corporation.

Form C-110 is being filed this date to sell the above oil produced during testing operations to McWood Corporation.

Yours very truly,

PAN AMERICAN PETROLEUM CORPORATION
