Re: Salazar G 34 #4, H-34-25N-6W

Gentlemen:

The Salazar G 34 #4 well is a non-standard location. A standard location is 790' from the outer boundaries and 330' from the 1/4 1/4 lines in the Devils Fork Gallup. An application for a non-standard location is required.

Yours truly,

A handwritten signature in cursive script, reading "Jeff A. Edmister".

Jeff A. Edmister  
Geologist II
