RE: Salazar Federal Well No. 1-34
Federal Lease 080136, Rio
Arriba County, New Mexico
SE/4NE/4 Sec. 34, T. 25 N.,
R. 6 W., N.M.P.M.

Dear Mr. Sims:

We have copies of three forms filed on the above captioned well by the Chemical & Geological Laboratories, Farmington, New Mexico, whom it is our understanding, no longer are employed by you, hence I am writing you direct.

On November 17, 1958, two forms were sent to the U. S. Geological Survey office, presumably in Roswell, on which the Lease Number 079139-A is shown although the well is shown as being located in Sec. 34, T. 25 N., R. 6 W., N.M.P.M. These forms are Log of Oil or Gas Well, and Sundry Notices and Reports on Wells.

On November 10, 1958, a New Mexico Oil Conservation Commission form, Request for Oil and/or Gas Allowable was prepared by the same people, and the No. 1-34 is designated as being located in SE/4NE/4, unit letter 'H'. This is the correct location. The location as shown on the Sundry Notices and Reports on Wells form above referred to is shown as NE NE of Section 34.

We call these errors to your attention, and are sending copies of this letter to both the U.S.G.S. office in Roswell and the Aztec office of the New Mexico Oil Conservation Commission. If the errors in designation of lease number and location of well have not been corrected with both of these offices will you please see that such corrections are made promptly, confirming same to this office with a copy to Mr. Maurice Liberman, P. O. Box 1364, Albuquerque, New Mexico. We shall very much appreciate your attending to this at your earliest convenience.

Dear Sir,
I have the honor to acknowledge the receipt of your letter of the 14th inst. in relation to the above matter.

Very truly,
Yours,
J. H. [Signature]

Enclosed for you are
the following documents
in relation to the above matter.

I have the honor to acknowledge the receipt of your letter of the 14th inst. in relation to the above matter.

Incidentally, our records show the original forms filed on this well by Mr. Ben Donegan, designate Lease No. 080136 and the location of the No. 1-34 as the SE/4NE4 of Section 34, T. 25 N., R. 6 W.

Since the same persons are not participants in both of these leases, it is quite important that all forms submitted and data recorded be carefully allocated to the proper lease number.

Very truly yours,

Victor Salazar
