Denver 2, Colorado*

*Re: Gabot Carbon #1 Bubble  
Federal "A", 29-26N-2W  
Pine Lake Pictured Cliffs*

*Gentlemen:*

*Oil Conservation Commission Order R-333 requires that all gas wells in the San Juan Basin have annual deliverability tests.*

*A check of our records reveals that we have never received a test on the above well. This test was due June 30, 1960.*

*Please schedule this well for test as soon as possible.*

*Yours very truly*

*Emery C. Arnold  
Supervisor, District #3*

*WCA:ks*
