13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomplate in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

On 3/15/2001 Amoco Production Company filed NOI, with procedure, to check for fill & swab test well. Approval was granted on 03/21/01.

This is to advise that the well work has not been initiated as of this date. Currently we are waiting on a rig. We respectfully request permission to leave well Shut-in until well work can be accomplished by the end of the second quarter 2002.

For technical questions please call Allen Kutch @281-366-7955

14. I hereby certify that the foregoing is true and correct.
