Dear Norman:

This is to notify the Commission that a scheduled packer leakage test on the captioned well will be as follows:

Both zones shut-in from: 5-7-76 to 5-10-76
Upper zone shut-in, lower zone flow: 5-10-76 to 5-12-76 *Mon Wed*

You will be notified by phone as to the exact time so that you may have a witness present.

Sincerely,

Bud Crane
