Re: Jicarilla "D" #1
Sec. 24-26N-3W

Att: Mr. C.A. Miller
Assistant District Production Superintendent

Dear Sir:

We are by this letter tentatively approving dual completion on the above well in the Mesaverde and Pictured Cliffs zones, as set out in your application of August 24, 1956.

Upon final completion of the well you should make application for Administrative Approval to Mr. A. L. Porter, Secretary and Director of the Commission, Box 871, Santa Fe, N.M. This application should include a schematic diagram showing how the well is equipped and should indicate that offset operators have been notified of your application.

Yours very truly

Emery C. Arnold
Supervisor, District #3

Re: Jicarilla "D" #1
Section 24, T26N, R3W
Undesignated Pictured Cliffs Gas Pool
Rio Arriba County, New Mexico

Dear Sir:

We propose to drill the subject well to a projected depth of 6500'. It is further proposed to dually complete this well in the Pictured Cliffs and Mesa Verde Zones.

We further propose to set 10 3/4" surface casing, 7 5/8" intermediate casing at approximately 4100', and set a 5 1/2" liner on bottom. We will perforate in the Pictured Cliffs Zone and in the Mesa Verde Zone and attempt a dual gas completion. Dual tubing strings will be run.

The subject well is located 990' FSL and 1650' FWL in the SW $\frac{1}{4}$ of Section 24.

Yours very truly,

C. A. Miller
