Mr. Harold O'Connor

Albuquerque, New Mexico

Dear Mr. O'Connor:

We have received Forms C-104, Request for Allowable, C-110, Authorization to Transport, and Form C-105, Well Record, for your #1 Jean Read Federal well located in the SE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 15-26N-1E. As you know, the Puerto Chiquito pool was the subject of a hearing in Case 2991 at the regular August hearing. The pool was greatly extended and now includes Section 15 of 26N-1E. Therefore your well is now in the Puerto Chiquito Pool and we are changing pool designation as shown on the forms submitted. Although 160-acre spacing was established by Order R-2565 the SE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 15, being 40 acres, was established as a non-standard unit by this order. Therefore no further action will be required by you for the approval of a non-standard unit. Our rules require that a deviation survey be filed with Form C-104 and we will not be able to approve Form C-104 and Form C-110 until you have submitted a deviation survey. Will you please do so immediately so that we may issue your allowable.

We are also advertising a nomenclature hearing to change the name of the Puerto Chiquito-Gallup Pool to Puerto Chiquito-Mancos, as its vertical limits will include any production occurring in the Mancos Formation from the top of the Gallup to the Greenhorn formation.

If you have any questions concerning the above, please contact us.

Yours very truly

Emery C. Arnold
Supervisor, District #3
