Attn: Mr. Wayne Rogers

Dear Mr. Rogers:

We are returning two copies of Form C-128 for your #1 Jenney Well, B-13-26N-4W, Rio Arriba County, New Mexico, along with a supply of Form C-102, which superseded Form C-128 effective January 1, 1965. Please complete two copies of Form C-102 and attach to the two copies of Form C-128 and return to this office. You will note that the new form requires that different leases, ownerships and interests must be identified for each communitized unit.

In the future, please use Form C-102 in lieu of Form C-128.

Yours very truly
