Dear Mr. Gray:

We have never received a dual completion order on your #248 Breech "C" well, located Section 13-26N-6W. Also our file does not reflect that you have ever made formal application for a dual completion order. We have erroneously approved form C-110s for both zones, and therefore by this letter we are cancelling the C-110 for the Dakota side of this dual until such time as a dual completion order is received. We are notifying the transporters by copy of this letter.

If we can assist you in any way in securing speedy approval, please let us know.

Yours very truly,

Emery C. Arnold,
Supervisor, District #3
