Gentlemen:

The attached packer-leakage test for the above well is inconclusive in proving zone separation. You are hereby directed to reschedule a packer-test for the above well and conduct the test in such a manner as to prove zone separation. Please notify this office sufficiently in advance of the test date so that we may have a witness present at our option.

If you have any questions, please contact this office.

Yours truly,

Frank T. Chavez  
Deputy Inspector
