Gentlemen:

Northwest Production Corporation's Well "W" 1-7 located in the SW/4 Section 7, T26N, R5W, Rio Arriba County, New Mexico, has been completed in the Pictured Cliffs, Mesaverde and Dakota formations.

The Dakota formation was tested Monday, February 25, 1957. One of the other formations will be tested at 11:00 a.m. Tuesday, March 5, 1957 and the remaining formation will be tested at 11:00 a.m. Tuesday, March 12, 1957.

Very truly yours,

NORTHWEST PRODUCTION CORPORATION

W. R. Johnston
