Dear George:

We note that you are filing production reports on Candado Production Co. #1 Miles in Section 8-26N-7W, which is the well which is on the acreage that you purchased from National Cooperative & Refining Co.

We are enclosing a supply of forms C-110, which should be filed in all cases involving change of ownership. The form is self-explanatory.

Yours very truly,

Emery C. Arnold
Oil & Gas Inspector
