Mr. Emery Arnold
Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico

Dear Emery:

We recently noted that no 80-acre plats have been filed by either Caulkins Oil Company or Texas National Petroleum Company for wells in the South Blanco-Tocito Pool. We had occasion to talk to Art Holland with Caulkins and he said they would file their 80-acre plats forthwith. Please advise Texas National to do likewise.

Also we noted that the South Blanco-Tocito Pool should be extended to include Caulkins Well No. T-185 in the NW/4 SW/4 of Section 11, Township 26, Range 6 West. Inasmuch as they are going to dedicate the W/2 of the SW/4 of said Section 11 to this well, I suggest that you place that acreage on the Northwest Nomenclature one of these days.

Very truly yours,
