Dear Sir:

Please find enclosed five (5) copies of Form C-128 on the Pictured Cliffs and Mesa Verde zones of the subject well. Subject well is a gas-gas dual completion, completed October 5, 1957. We are submitting subject forms in application for assignment of allowables to this well. We would like to request you to return approved copies of C-128's which you do not require to this office.

Also, please find enclosed copies of electric, radio-activity and temperature logs which were performed on subject well.

Yours very truly,
