Re: Santa Fe 079035

Dear Sir:

It is hereby requested that we be granted approval to drill on the subject lease, located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 9, T. 26 N., R. 6 W., N.M.P.M., Rio Arriba County, New Mexico, Wildcat area.

This is to be well No. 4-13 Doswell, located 660' from the north line and 760' from the east line. It is impossible to drill the well due to rough terrain on the specified footage as set forth in spacing regulations.
