(2) That the applicant, Caulkins Oil Company, seeks approval for the unorthodox location of the following two wells on its Breech A Lease to be recompleted in the Chacra, Mesaverde, and Dakota formations: No. 157 located 1980 feet from the North line and 660 feet from the West line of Section 10 and No. 629 located 660 feet from the North line and 760 feet from the West line of Section 9, both in Township 26 North, Range 6 West, NMPM, Rio Arriba County, New Mexico.
