Title PETROLEUM ENGINEER DIST. NO. 3

The image is a high-contrast, black-and-white scan of a document, likely a ledger or a form. It features a grid-like structure with several rows and columns. At the top, there is some faint, illegible text that appears to be a header or title. The main body of the document consists of a series of horizontal lines, suggesting a table or a list. In the bottom right corner, there is a prominent checkmark. The overall quality of the scan is poor, with significant noise and artifacts, making it difficult to discern specific details.
