Gentlemen:

Please be advised that we have completed the subject named well as a gas-gas dual completion. Subject well was completed July 18, 1958 and potentialized August 12, 1958.

Attached herewith and in connection with such dual completion, please find schematic diagram showing how the well was equipped and how such well was completed. Also enclosed, please find composite logs performed.

Magnolia Petroleum Company is the offset operator to the west and north east as shown on Form C-128.

Please accept this as our application for administrative approval.

Yours very truly,
