17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

A leak between zones has developed on this well. We propose to pull both string of tubing, redress packer, hydretest d.k. tubing string back in hole, nipple up wellhead & return both zones to production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
