OIL CONSERVATION COMMISSION
AZTEC, NEW MEXICO

XXXXXXXXXXXX

120 East Chaco
January 22, 1957

Northwest Production Corporation
520 Simms Building
Albuquerque, New Mexico

Att: Mr. W. R. Johnston

Dear Mr. Johnston:

By this letter we are granting tentative approval for the dual completion of your #4-6 "N" Well which is located in the NE $\frac{1}{4}$ Section 6-26N-4W. It is our understanding that this well is to be completed in the Mesaverde and Graneros-Dakota Formations and will be equipped as set out in your application, with a production packer separating the Mesaverde formation from the Graneros-Dakota.

Upon final completion final application for Administrative Approval should be made to Mr. A.L. Porter, Director of the Commission. at that time you should also furnish packer-setting affidavit and a schematic diagram of your well equipment, along with a packer leakage test.

Yours very truly

Emery C. Arnold
Supervisor, District #3

120 East 10th
January 11, 1937

Continental Petroleum Corporation
770 Adams Building
Albuquerque, New Mexico

Dear Mr. A. H. Anderson:

Dear Mr. Anderson:

4. This letter is in response to your letter of January 7, 1937, regarding the proposed location of a new well in the Section 4-24-24. It is our understanding that this well is to be located in the Edwards and Edwards-Edwards Tract, and will be equipped to test and produce oil. It is our understanding that the proposed location is in the Edwards-Edwards Tract.

Upon this matter, we have no objection to the proposed location of a new well in the Section 4-24-24. It is our understanding that this well is to be located in the Edwards and Edwards-Edwards Tract, and will be equipped to test and produce oil. It is our understanding that the proposed location is in the Edwards-Edwards Tract.

Yours very truly,

Barry C. Anderson
Superintendent, District #3
