Re: Santa Fe 079186

Dear Sir:

It is hereby requested that we be granted approval to drill on the subject lease, located in the Wm. L. Sec. 5, T. 26 N., R. 6 W., N. M. P. M., Rio Arriba County, New Mexico, Wildcat area.

This is to be well No. 1-B Scott, located 1090 feet from the north and west lines of sec. 5. It is impossible to drill the well on the specified footage as set forth in spacing regulations due to the rough terrain in this area.

Very truly yours,

A handwritten signature in cursive script, reading 'Robert E Mead', is written over the typed name.
