Dear Mr. Porter:

We hereby request permission for an unorthodox Pictured Cliffs-Mesaverde completion in the Blanco Mesaverde field. We refer to RI-670, Section VIII, Para. A, Rule 2. This request is for Consolidated Oil & Ges, Inc. Tribal "C" No. 2-6, located in the NW/4 of Section 6. Township 26 North, Range 3 West, Rio Arriba County, New Mexico; a dual Pictured Cliffs-Mesaverde test.

The location as concerns the Mesaverde is off pattern and this request is due to the fact that our Tribal "C" No. 1-6, located in the SW/4 of Section 6, encountered severe mechanical problems which prevented us from completing it in the Mesaverde.

We will very much appreciate your scheduling this for hearing at an early date. We are notifying all offset operators of our desire to drill this unorthodox location.

Very truly yours,

CONSOLIDATED OIL & GAS, INC.
