Dear Sir:

On November 9, 1959 we received in this office one copy of Federal Notice of Intention to Drill on your #1 USL Alto well located in the NE¹/₄ Section 5 26N 1E.

We cannot give our approval to the above location until we have received in this office two copies of the Notice of Intention to Drill, along with New Mexico Oil Conservation Commission Form C-128, Well Location and Acreage Dedication Plat, showing the well location as surveyed and the acreage dedicated.

We are enclosing a supply of Form C-128. If we can be of any further service in this matter, please contact us.

Yours very truly
