Dear Mr. Porter:

This is a request for administrative approval for an unorthodox gas well location in the South Blanco Pictured Cliffs Pool.

The well, Rincon Unit No. 7, is a completed well, and was located by the original survey 990 feet from the North line, and 1650 feet from the West line of Section 1, Township 26 North, Range 7 West, N.M.P.M., Rio Arriba County, New Mexico.

A recent United States Cadastral Survey shows the well to be located 55' from the North line and 1660 feet from the West line of Section 1, Township 26 North, Range 7 West, N.M.P.M.

Since El Paso Natural Gas Company holds all leases within the 790' radius the consent to said location has not been sought from any other operators.

Yours very truly,

OR'G'NAL SIGNED E. S. OBERLY

E. S. Oberly,
Division Petroleum Engineer
