DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This well was originally drilled by Ralph A. Johnston as the Rincon #57. El Paso Natural Gas Company purchased this well from Texas National Petroleum Company, therefore, the name is changed to El Paso Natural Gas Rincon # 57.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
