Re: Electric Logs, Jicarilla "H" #4

Dear Sir:

Please find enclosed copies of electric logs which were performed on our Jicarilla "H" Well #4. The subject well located in Section 1, T-26N, R-3W, Blanco Field, Rio Arriba County, New Mexico, was completed July 7, 1957. This was a dual gas-gas completion; however, the above completion date is for the Mesa Verde zone only. The Pictured Cliffs zone is temporarily abandoned.

Very truly yours,

W. C. Dougherty,
District Superintendent
