Dear Mr. Arnold:

By means of this letter Consolidated Oil & Gas, Inc. request your permission to temporary abandon our Tribal # 6 Dakota located in the North West. 1/4 of section # 5, 26 North, 3 West, Rio Arriba Co. New Mexico.

It is our opinion that in the near future improved stimulation methods or an increase in prices for San Juan Basin gas might make this well economical to operate. For this reason we do not want to cement this zone off at this time. It is understood that we are to conduct annual packer leakage test on this well.

Very truly yours,
Consolidated Oil & Gas
