Would the attached be a
subsequent report of abandon-
ment for the #5-M located
890/15 & 790/W?

Thanks,

No, for the #7 Tribal C located

890/N; 890/E. They have erroneously
shown it as the #7-5.

This is checked as a Notice of Intention
to P & A. We have not received a subsequent
report of plugging.
