O
Dear Sir:

Request is hereby made for administrative approval of the above non-standard oil well location. This well was originally staked on a standard Basin Dakota gas well location with the E/2 of Section 17, T26N, R5W dedicated for the gas proration. The Gallup oil zone was not anticipated in this well when originally staked.

P
Tenneco Oil Company offsets on the south, east and west of the well; and an offset operator approval is not required.

Your early approval will be appreciated.

Very truly yours,

TENNECO OIL COMPANY
