Re: APPLICATION FOR UNORTHODOX LOCATION: PURTO CHIQUITO UNIT NO. F-6, 2400' FNL, 1990' FWL, SEC. 6, T-27N, R-1E RIO ARRIBA COUNTY, NEW MEXICO

Gentlemen:

Benson-Montin-Greer Drilling Corp. hereby makes application for approval of the captioned Gallup oil well, to be located as set out above. This application is submitted as provided under Rule 4, Special Rules and Regulations for the Puerto Chiquito Gallup Oil Pool, New Mexico Oil Conservation Commission Order No. R-2565.

Enclosed herewith are copies of New Mexico Oil Conservation Commission Form C-128 and an ownership plat showing offset owners of the northwest quarter of Section 6, T-27N, R-1E, which is the acreage dedicated to the Puerto Chiquito Unit No. F-6.

We request the Commission to grant an exception to the well location requirements and approve this unorthodox location 155 feet south of the orthodox limit, due to the extreme topographical conditions.

We are this date sending copies of this application and plats to all offset operators.

Yours very truly,

BENSON-MONTIN-GREER DRILLING CORP.
