Per your letter of May 21, 1986 and conversation of Mr. Steve Shafram (Inspector-BLM) and Mr. Fred Crum (DEPCO, Inc., authorized representative).

The water bars along access road have been installed.

Rip-rap and attached cables were set along Largo Wash bank which have now allowed trees and willows to grow back. This has stopped erosion of the wash bank.

Gullies on well site have been filled.

Reseeding will be done after July 1, 1986.
