|                                      |                             |          |                 |          |                   |           |              |               |
|                                      |                             |          |                 |          |                   |           |              |               |
|                                      |                             |          |                 |          |                   |           |              |               |

V. TEST DATA AND REQUEST FOR ALLOWABLE OIL WELL

(Test must be after recovery of total volume of load oil and must be equal to or exceed top allowable for this depth or be for full 24 hours)

|                                 |                 |                                               |                          |
|---------------------------------|-----------------|-----------------------------------------------|--------------------------|
| Date First New Oil Run To Tanks | Date of Test    | Producing Method (Flow, pump, gas lift, etc.) | OIL CON. COM.<br>DIST. 3 |
| Length of Test                  | Tubing Pressure | Casing Pressure                               |                          |
| Actual Prod. During Test        | Oil-Bbls.       | Water-Bbls.                                   |                          |

GAS WELL

|                                  |                           |                           |                       |
|----------------------------------|---------------------------|---------------------------|-----------------------|
| Actual Prod. Test-MCF/D          | Length of Test            | Delta. Condensate/MMCF    | Gravity of Condensate |
| Testing Method (pitot, back pr.) | Tubing Pressure (shut-in) | Casing Pressure (shut-in) | Choke Size            |

VI. CERTIFICATE OF COMPLIANCE

I hereby certify that the rules and regulations of the Oil Conservation Commission have been complied with and that the information given above is true and complete to the best of my knowledge and belief

Authorized Agent  
12-4-73

OIL CONSERVATION COMMISSION

APPROVED FEB 7 1974  
BY  
TITLE PETROLEUM ENGINEER DIST. NO. 3

This form is to be filed in compliance with RULE 1104.  
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 111.  
All sections of this form must be filled out completely for allowable on new and recompleting wells.  
Fill out only Sections I, II, III, and VI for changes of unit, well name or number, or transporter, or other such changes of ownership.  
Separate Form C-101 must be filed for each pool in multiple.
