Status per BLM request

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

The well is incapable of commercial production at current line pressures and existing market conditions. A study is in progress to evaluate the remaining reserves and additional hydrocarbon bearing zones.

A long-term shut in is requested for the evaluations.
