Attention: Mr. A. L. Porter

Gentlemen:

We propose to drill a Chacra test well in NW 31 - T 26 N - R 6 W,
Rio Arriba County, New Mexico.

Enclosed please find a copy of Surveyor's Plat covering the location
for a plugged and abandoned Pictured Cliff formation test. We contemplate
using this same location, moving 25 feet to the east. The original loca-
tion was unorthodox because of the terrain. The location is in a canyon
against a bluff to the east.

We request administrative approval of this location.

Thank you,

MERRION & BAYLESS
