Attn: Mr. James R. Large

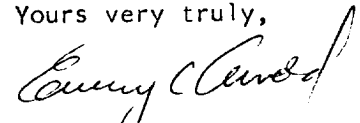

Dear Mr. Large:

Notice of Gas Connection has been received for the Aztec Oil and Gas Co., Jicarilla 101 #2 well, located M-12-26N-4W.

This well is a dual completion and form C-104 for the Dakota side of this dual was approved on December 22, 1969. Form C-104 for the Gallup side was submitted but has been held in this office pending receipt of form C-102, Acreage Dedication Plat, and for a packer-leakage test. We have still not approved form C-104. Therefore, Southern Union Gas Co. is not legally authorized to receive gas from the Gallup side of this well and by this letter we are notifying you that deliveries should cease until you have received an approved copy of Form C-104.

Thank you.

Yours very truly,

E. C. Arnold
