Dear Mr. Hand:

The subject case was continued to October 12, 1977, as you requested by telephone on September 27, 1977.

Testimony will be taken on that date regarding the well unless records are received in this office prior to October 9, 1977, showing the well to be a commercially producible well or a proposal to plug and abandon the well including a proposed date of plugging.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
