Gentlemen:

Following is our Multi-point development plan for surface use and restoration for our well No. 314, located in Southeast Quarter of section 18 26N 6W, Rio Arriba County, New Mexico.

- (1) Location to be built 300' from existing road. Copy of topo map showing proposed location and existing roads attached.
- (2) 300' of new road required. Road will be no more than 20' wide and will have one water bar installed in road on slope.
- (3) Location of existing wells shown on topo map.
- (4) No tank battery or production facilities required. Note: Gas Company of New Mexico as purchaser of gas will apply for permit for pipelines and production equipment.
- (5) Water will be hauled from Caulkins Oil Company well No. 130, located in Northwest Quarter of section 9 26N 6W, Rio Arriba County, New Mex., identified by red circle on topo map. Roads on Federal lands used to haul water from water well to location also shown on topo map.
- (6) No construction materials needed for road or location.
- (7) All cuttings, trash, garbage and etc. will be confined to reserve pit and small fenced pit on location. After rig is moved out, area will be cleaned up, small pit covered and reserve pit fenced until fluid in pit evaporates. Reserve pit will be covered as soon as it dries sufficiently to proceed without damage to outside surface.
- (8) No camp required.
- (9) Layout plat for location and reserve pit attached. Location lays on 4% slope. A 4' cut on South side of location will be required. Reserve pit will be built from earth materials, banks will be packed by tractor. Reserve pit will not be lined.
- (10) Reserve pit will be covered and cleaned up then reseeded with BLM recommended seeding program with 2 $\frac{1}{2}$ # Crested Wheatgrass, 2 $\frac{1}{2}$ # Smooth Brome, 3# Fourwing Saltbrush (dewinged) and 1# Nomad Alfalfa per acre. Reseeded area will include all location and reserve pit area to within 5' of all facilities. Seeding shall be done between July 15 and Oct. 15. All facilities maintained by Caulkins Oil Company shall be painted Grey, Number 36357.
