OIL CON. DIV.  
DIST. 3

Dear Sir:

It has come to the attention of the Division that there are currently two downhole commingling orders in effect for the Candado Well No. 24, being DHC-1061 issued on December 20, 1994, and DHC-1606 issued on July 24, 1997. It appears that the issuance of these duplicate orders is simply a result of an oversight by your company and the Division.

In order to clear up any confusion which may occur as a result of the issuance of duplicate orders, the Division hereby rescinds Order No. DHC-1061. Division Order No. DHC-1606 shall remain in full force and effect.

Sincerely,

  
Lori Wrotenbery  
Director
