(Note: Report results of multiple completion on Completion or Recompletion Report and Log form.)

13. Describe Proposed or completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Merrion Oil & Gas had proposed to complete the plugging and abandonment of the subject well by July 10, 2001. Due to rig availability we will not complete the work by that time. We are on the rig schedule for October, 2001. We request that our deadline to plug the well be extended to December 1, 2001.
