Dear Charles:

In regard to your letter of March 10, 1986 and our telephone conversation regarding this communication problem, we hereby ask that well now be considered as commingled.

Order No. R-7980 dated July 11, 1985 approved commingling of this well.

Our plans are to commingle this well during our 1986 program which we plan to start approx June 1, 1986.
