Dear Mr. LeMay:

Union Texas Petroleum requests administrative approval of an unorthodox location for a Blanco Mesaverde/West Lindrith Gallup-Dakota commingled completion. The basis for our request is for topographic reasons and the proximity of existing pipelines.

The only offset operator, which has been notified of our intentions, is Southern Union Exploration. A copy of their letter is attached for your review.

If I may be of any further assistance, please advise.

Very truly yours,

Robert C. Frank
Permit Coordinator
