Dear Ms. Villanueva:

Enclosed please find the completion papers for the Dakota. Louis Dreyfus Natural Gas Corporation originally filed the completion papers for this well back in September of 2001 for the Blanco Mesa Verde perms., from which this well is currently producing.

David Squire in our accounting department was trying to clear up some suspended tax payments to New Mexico, but was unable to do so, do to the effective date of the PUN. Per your instructions you said that a completion report and temporary C-104 needed to be submitted for the Dakota, please find those forms enclosed. If you have any questions, please give me a call at (405) 749-5263.

Sincerely,

A handwritten signature in cursive script that reads "Carla Christian".
