Mr. Frank O. Elliott
Elliott Oil Company
P. O. Box 1355
Roswell, New Mexico 88201

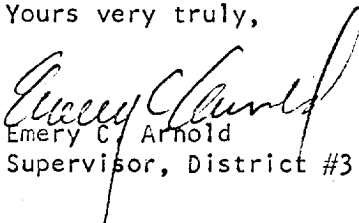

Dear Mr. Elliott:

I presume the enclosed C-104 was submitted for a well presently designated as the Skelly Oil Co., East Bisti Unit #77. Our records show this well to be located 990 feet from the South line and 1980 feet from the West line of Section 34, Township 25 North, Range 10 West. If this is true, will you please correct the location and return?

We have also had some difficulty in alphabetical listings from "Federal" or "State" designations where these words are placed ahead of the lease name. I would therefore request that you designate the well as "Elliott C Federal" instead of "Federal Elliott C".

Thank you.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
