Gentlemen:

We have received a copy of the Notice of Intention to Drill on Federal Form 9-331b on your #1 Heirs of Ko-Sa well in Section 23-25N-11W, but have never received any kind of plat.

We would appreciate receiving at least a surveyor's plat giving the location of the well. This could be filed on our Form C-128, which is a combination surveyor's plat and well location plat.

Yours very truly

Emery C. Arnold  
Supervisor, District #3
