Dear Mr. Kuchera:

I am in receipt of a sundry dated December 30, 1992 regarding remedial work to be completed in 1993 on the above-mentioned well.

The original permit, WFX-528 dated July 23, 1984 has been cancelled and is no longer valid. Giant must reapply for a permit in order to utilize this well as an injection well. All work must be completed by July 21, 1993 as referenced in my letter dated August 26, 1992.

Yours truly,

*Dianna K. Fairhurst*
