*Dear Mr. Neal:*

*We received copies of Federal Notice of Intention to Drill on  
Kenneth Murchison #2 Federal well located in the SE<sub>4</sub> Section  
3-25N-12W.*

*This well is within one mile of the Bisti Lower Gallup Pool and  
therefore comes under Bisti Pool rules, which allow 80-acre  
acreage dedications. The Pool rules call for either South half  
or North half dedications in a quarter-section.*

*Will you please outline the 80 acres to be dedicated to this  
well and return the plats to us.*

*Yours very truly*

*Emery C. Arnold  
Supervisor, District #3*
